

Kindly note the following guidelines for the conference presentation:

- All participants are requested to submit their final presentations via email to infoisnr2026@gmail.com by **20th March 2026**.
- The PowerPoint presentation (PPT) should not exceed **10–14 slides**.
- The first slide must include the **study title, names, designations, and affiliations of all authors**, and clearly indicate the **presenting author**.
- The **presenting author must be the first author** of the abstract.
- Your presentation should cover the study's **background, objectives, methods, findings, discussion, and conclusion**.
- Presenters are encouraged to focus on the **study's findings and their implications**.
- Each presenter will be allotted **6 minutes for the presentation**, followed by a **2-minute question and answer session**.
- All presenters are requested to **remain present throughout their respective session**.

Note: Acceptance and presentation of the abstract are subject to **completion of conference registration**. If you have not yet registered, kindly do so at the earliest using the [Register Now](#) link.

The **session timing and hall details** will be communicated in a subsequent email.

Congratulations once again on your accomplishment. We look forward to your participation in **ISNR 2026**.

Yours sincerely,

ISNR 2026 – Scientific Committee
